# WELCOME LETTER

## A NOTE FROM THE FOUNDATION

The Foundation is excited to announce our **4th Annual Golf & Tennis Outing** will be held on **May 7th** at The Creek Club in Locust Valley. This event is our annual fundraiser and is successful thanks to the support of our generous sponsors!

The Ed Foundation is committed to enhancing the educational experience of students in Cold Spring Harbor Schools. The money we raise goes to funding grants that make a difference in the way students learn, introduces them to new concepts in Science, Math, Engineering, Art and Technology and pushes innovation that will make a lasting impact in their lives.

The Foundation recently funded grants to help foster interests in engineering and coding among our younger students, such as the KIBO Robotics grant benefiting Goosehill Primary and the Lego Spike Grant benefiting Lloyd Harbor & West Side Schools. We were also proud to fund the FIRST Robotics Grant, benefiting our High School Robotics team and their outstanding performance at the 2023 FIRST Robotics competition.

Most recently, The Foundation was happy to fund STEAMANITIES Night where students had a chance for hands-on learning at stations focused on subjects from humanities and reading to the sciences.

It is with this thought in mind that we are reaching out to you today to be a sponsor for our 2024 Outing. Your generosity helps us continue to make an impact on our schools, our kids and our community. We hope that we can count on your support again this year!

If you have any questions, please reach out to us.

Thank you for your time and continued support!

Sincerely,

Chloe Henning  
President, The Ed Foundation

# ABOUT US

## MISSION & ACCOMPLISHMENTS

## OUR MISSION

Established in 2012, The Cold Spring Harbor Educational Foundation is a community based 501(c)(3) non-profit organization. Over the past 10 years we have funded initiatives and grants that have impacted the education of students from kindergarten to 12th grade in each of our schools! We take great pride in the fact that we are able to make a difference for all kids in our district, encouraging their curiosity and enhancing their educational experience.

## OUR ACCOMPLISHMENTS

To date, and with the support of our generous sponsors, The Ed Foundation has funded over \$1.2 million in grants to the Cold Spring Harbor School District. Grants focused in STEAM, flexible learning, technological advancement and more, have helped prepare our students in all grades for continued learning in both Cold Spring Harbor Schools and beyond.

To see a list of all our grants and success, please visit [cshedfoundation.com](http://cshedfoundation.com).

# WHY YOU SHOULD DONATE

BENEFITS FOR YOUR BUSINESS AND COMMUNITY

## COMMUNITY

Supporting The Ed Foundation shows that you support our community and its youngest members. By helping to fund initiatives and grants, you give our children access to programs and advancements that will benefit them as they grow. Providing them with the opportunities to achieve more as learners shows that you care!

## PROPERTY

One of the most important factors in real estate value are schools. A good district can elevate the value of any property. By supporting the Cold Spring Harbor School District, through The Ed Foundation, you ensure that our schools remain highly rated, making us a desirable district.

## BUSINESS

The best way to show your appreciation for the community that supports your business is by supporting their community! Show your customers you care by becoming a sponsor.

# BECOME A SPONSOR

YOUR SUPPORT IS KEY

## SPONSORSHIP

There are different sponsorship opportunities and levels. Your sponsorship level comes with a variety of benefits, depending on what you choose (see attached sponsorship levels). Sponsorship levels can sell out, so don't miss your chance to participate.

To reserve your sponsorship level, please send your payment to  
The Ed Foundation  
PO Box 533  
Cold Spring Harbor, NY 11724

Please make checks payable to:
